

GROUP PROGRAM FOR CAREGIVERS OF TEENS ON THE AUTISM SPECTRUM

.... for parents and caregivers who want to improve relationships and reduce conflict in the family home

FACILITATED BY AMIEE ROGIC (CLIN PSYCH) WWW.LIFECONNECTTHERAPY.COM.AU

- ➔ A closer look at Autism Spectrum Disorder (ASD) and what this looks like for your teen and family.
- ➔ Exploring social and emotional difficulties your teen may have and how to build connection.
- ➔ Understanding how individuals in your family process sight, sound, touch, taste and movement differently and the impact on day to day life.
- ➔ Building connections with your teen, exploring different approaches needed. and more!

CTAS is a free program, for a limited number of participants. Please email rachel.morris@salvationarmy.org.au to apply or contact Peter Weymouth on 0435345723 for more information.
